reimbursement of actual and necessary expenses in the amount of \$317,264.53 that K&E incurred for the period from March 1, 2023 through June 30, 2023 (the “Fee Period”). In support of this Fee Application, K&E submits the declaration of Patrick J. Nash, Jr., president of Patrick J. Jurisdiction and Venue

1. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the Southern District of New York, entered February 1, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). The Debtors confirm their consent to the Court entering a final order in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The bases for the relief requested herein are sections 330 and 331 of title 11 of the United States Code (the “Bankruptcy Code”), rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), rule 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Bankruptcy Rules”), and the *Amended Orders (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* [Docket No. 1745 and 2779] (collectively, the “Amended Interim Compensation Orders”).

Background

4. The Debtors, together with their non-Debtor affiliates (collectively, “Celsius”), are one of the largest and most sophisticated cryptocurrency-based finance platforms in the world and provide financial services to institutional, corporate, and retail clients across more than 100 countries. Celsius was created in 2017 to be one of the first cryptocurrency platforms to which users could transfer their crypto assets and (a) earn rewards on crypto assets and/or (b) take loans using those transferred crypto assets as collateral. Headquartered in Hoboken, New Jersey, Celsius has more than 1.7 million registered users and approximately 300,000 active users with account balances greater than \$100.

5. On July 13, 2022 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description of the facts and circumstances of these chapter 11 cases is set forth in the *Declaration of Robert Campagna, Managing Director of Alvarez & Marsal North America, LLC, in Support of Chapter 11 Petitions and First Day Motions* (the “Campagna Declaration”).³ The Debtors commenced these chapter 11 cases to provide Celsius an opportunity to stabilize its business and consummate a comprehensive restructuring transaction that maximizes value for stakeholders.

6. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. These chapter 11 cases have been consolidated for procedural purposes only and are jointly administered pursuant to Bankruptcy Rule 1015(b) [Docket Nos. 53 & 1648]. On July 27, 2022, the United States Trustee for the Southern District of New York (the “U.S. Trustee”) appointed an official committee of

unsecured creditors [Docket No. 241] (the “Committee”). On September 29, 2022, the Court entered an order approving the appointment of Shoba Pillay, as examiner (the “Examiner”) [Docket No. 923]. On April 4, 2023, the Court entered an order discharging the Examiner [Docket No. 2364]. On October 20, 2022, the Court entered an order appointing Judge Christopher S. Sontchi as fee examiner (the “Fee Examiner”) [Docket No. 1151].

7. On December 19, 2022 and June 8, 2023, the Court entered the Amended Interim Compensation Orders, which set forth the procedures for interim compensation and reimbursement of expenses for all professionals in these cases.

Preliminary Statement

8. During the Fee Period, K&E represented the Debtors professionally and diligently, advising them on a variety of complex matters and issues. With K&E’s advice and counsel, the Debtors accomplished, among other things, the following achievements in the Fee Period to advance these chapter 11 cases towards a value-maximizing conclusion:

- conducted a robust whole-company marketing and sale process, including:
 - securing the approval of bid protections for the stalking-horse bidder, Novawulf Digital Management, LP (“Novawulf”) [Docket No. 2344];
 - conducting a month-long auction among three qualified bidders, which resulted in a competitive process that secured major concessions by each bidder in favor of the Debtors and which ultimately resulted in the selection of the bid of Fahrenheit, LLC (“Fahrenheit”) as the successful bidder for the Debtors’ assets [Docket No. 2713];
 - selecting the Blockchain Investment Recovery Consortium (“BRIC”) as the backup bidder [Docket No. 2713];
 - entering into the plan sponsor agreement, which sets forth the terms of the transaction contemplated by Fahrenheit’s successful bid (the “NewCo Transaction”);
 - entering into the backup plan sponsor agreement, which sets forth the terms by which the BRIC will serve as a backup bidder if the Debtors elect to pivot to the backup bid; and

- securing the approval of certain fees relating to the backup bid over the objection of the U.S. Trustee [Docket No. 3057].
- prepared and filed the Debtors' joint plan of reorganization [Docket No. 2358], the revised joint plan of reorganization (the "Plan") [Docket No. 2807], and a disclosure statement [Docket No. 2902], each of which memorialize the terms of an extraordinarily complex transaction, and which reflect the input of dozens of interested parties;
- cooperated with investigations of the Securities and Exchange Commission (the "SEC"), the Federal Trade Commission (the "FTC"), the Commodities Futures Trading Commission (the "CFTC"), and the U.S. Attorney's Office for the Southern District of New York (the "USAO") into the actions of Celsius and certain of its employees, culminating in the entry of the Debtors into a non-prosecution agreement with the USAO and consent orders with the SEC, FTC, and CFTC consensually resolving their claims against the Debtors;
- prepared for and participated in litigation and negotiations with the holders of the Debtors' Series B Preferred Equity interests (the "Series B Preferred Holders"), including relating to substantive consolidation, the allowance of the intercompany claim between Celsius Network Limited and Celsius Network, LLC, and the Committee's adversary proceeding, resulting in the entry by the Debtors and the Committee into a settlement with the Series B Preferred Holders [Docket No. 2899] resolving each of these major areas of litigation and removing an important impediment to confirmation of the Debtors' Plan;
- secured approval of a settlement with the ad hoc group of Celsius customers with digital assets in the Custody Program (the "Custody Ad Hoc Group") [Docket No. 2291], resulting in the resolution of litigation concerning the treatment of account holders with digital assets in the Custody Program against whom the Debtors hold claims;
- secured approval of a settlement with the ad hoc group of Celsius customers with digital assets in the Withhold Program (the "Withhold Ad Hoc Group") [Docket No. 2509], which established the treatment that account holders with digital assets in the Withhold Program will receive under the Plan;
- filed a proof of claim in the bankruptcy cases of Core Scientific, Inc. ("Core") and entered into mediation with Core concerning the Debtors' claims against Core;
- filed a proof of claim in the bankruptcy cases of FTX Trading Ltd. ("FTX") and its affiliates relating to a loan provided by the Debtors to FTX affiliate Alameda Research, Ltd. and a general unsecured claim in the amount of \$2 billion; and
- filed a motion seeking authorization from the court to enter into witness cooperation agreements with certain key current and former employees and allowing the Debtors to reimburse certain out-of-pocket fees and expenses of such employees [Docket

No. 2147] and filed a reply in support of the same in response to objections by the Committee, the U.S. Trustee, and Mr. Ignat Tuganov [Docket No. 2653].

9. Given these accomplishments and the complexities of the Debtors' business and restructuring, K&E submits that the compensation and expense reimbursement sought herein for the necessary and beneficial professional services K&E provided to the Debtors during the Fee Period are reasonable and appropriate, commensurate with the scale, nature, and complexity of these chapter 11 cases, and should be approved.

Case Status Summary

10. In response to precarious business conditions—the onset of a “crypto winter,” the well-publicized collapse of Luna, the failure of other crypto funds and exchanges, and a proverbial “run on the bank,” the Debtors commenced these chapter 11 cases to utilize the breathing spell afforded by the automatic stay and develop and implement a value-maximizing transaction as promptly as possible. While the Debtors used the initial months of these chapter 11 cases to stabilize operations and resolve key legal questions relating to the Debtors' assets, during the Fee Period, the Debtors completed a whole-company marketing and sale process and now advance to consummate the contemplated transaction through the confirmation of their chapter 11 Plan. In April 2023, with Novawulf as stalking-horse bidder, the Debtors initiated an auction between Novawulf and two other qualified bidders—Fahrenheit and BRIC. Following a competitive auction process, the Debtors and the Committee jointly designated Fahrenheit as the winning bidder. Fahrenheit's winning bid has vastly improved terms compared to the initial NovaWulf stalking horse bid and will result in hundreds of millions of dollars of additional value for the Debtors' creditors. Through the improved terms of the Fahrenheit bid, the Debtors' creditors will receive much more liquid cryptocurrency in the initial distribution to be made shortly after the effective date of the Debtors' chapter 11 Plan. The Debtors and the Committee also designated

the BRIC as the “backup bid,” so that the Debtors can promptly pivot to an orderly wind-down in case the Fahrenheit bid cannot be confirmed or consummated for any reason.

11. Since the conclusion of the auction, the Debtors and the Committee have finalized the documentation for the winning bid and the backup bid with Fahrenheit and BRIC, including by entering into plan sponsor agreements. On June 7, 2023, the Debtors filed the *Notice of Debtors’ Entry Into a Plan Sponsor Agreement* [Docket No. 2759] and the *Debtors’ Motion for Entry of an Order (I) Authorizing and Approving Certain Fees and Expenses for the Backup Plan Sponsor, and (II) Granting Related Relief* [Docket No. 2774], for which the Debtors secured approval on July 20, 2023 [Docket No. 3057]. To implement the transactions contemplated by the Plan Sponsor Agreement, the Debtors filed a revised Plan that included the terms of the Fahrenheit winning bid and the BRIC backup bid. On June 27, 2023, the Debtors filed the accompanying disclosure statement for the Plan.

12. During the Fee Period, the Debtors have worked to generate additional consensus for the Plan. Specifically, the Debtors have secured the support of the Custody Ad Hoc Group and Withhold Ad Hoc Group for the Plan. The Debtors have also settled with the holders of Series B Preferred Equity Interests, which led to the subsequent resolution of several major open legal questions that presented gating issues to the confirmation of the Debtors’ Plan, including substantive consolidation, the estimation of the intercompany claims between Celsius Network Limited and Celsius Network, LLC, and the Committee’s adversary proceeding.

13. Throughout these chapter 11 cases, the Debtors have cooperated with the investigations of federal prosecutors and regulators concerning the Debtors’ prepetition conduct and potential civil and criminal enforcement actions relating thereto. During the Fee Period, however, Kirkland assumed primary responsibility for the Debtors’ continued engagement and

negotiations with federal prosecutors and regulators. After providing extensive productions to these parties and intense negotiations, the Debtors entered into a non-prosecution agreement with the USAO and settlements with the SEC, FTC, and CFTC providing for the resolution of their civil claims against the Debtors. As a result, the Debtors no longer face the prospect of a potentially catastrophic federal indictment.

14. During the Fee Period, the Debtors have made significant advances in their chapter 11 cases and now sit poised to secure confirmation of their Plan and consummate the NewCo transaction with Fahrenheit. This process will be made inestimably easier by the Debtors' efforts to secure consensus from a wide variety of stakeholder groups, including those with whom it has engaged in intensely adversarial litigation. The Debtors have also forestalled major threats presented by federal investigations that would have otherwise derailed their efforts. Each of these successes has required that Debtors' counsel resolve novel, complex issues of bankruptcy, commercial, and criminal law.

The Debtors' Retention of K&E

15. On September 16, 2022, the Court entered the *Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of July 13, 2022* [Docket No. 845] (the "Retention Order"), attached hereto as **Exhibit B** and incorporated by reference.⁴ The Retention Order authorizes the Debtors to compensate and reimburse K&E in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, and the Amended Interim Compensation Order. The Retention Order also authorizes the Debtors to compensate

⁴ The Retention Order extends to the GK8 Debtors pursuant to *Order (I) Applying Certain Orders in initial Debtors' Chapter 11 Cases to, GK8 LTD., GK8 USA LLC, and GK8 UK Limited and (II) Granting Related Relief* [Docket No. 1655].

K&E at K&E's hourly rates charged for services of this type and to reimburse K&E for K&E's actual and necessary out-of-pocket expenses incurred, subject to application to this Court. The particular terms of K&E's engagement are detailed in the engagement letter by and between K&E and the Debtors, effective as of July 1, 2022, and attached hereto as **Exhibit C** (the "Engagement Letter").

16. The Retention Order authorizes K&E to provide the following services consistent with and in furtherance of the services enumerated above:

- a. advising the Debtors with respect to their powers and duties as debtors-in-possession in the continued management and operation of their businesses and properties;
- b. preparing pleadings, including motions, applications, answers, orders, reports, and papers necessary or otherwise beneficial to the administration of the Debtors' estates and consistent with the services identified in the Retention Order;
- c. appearing before the Court and any appellate courts to represent the interests of the Debtors' estates before those courts in connection with the services in the Retention Order; and
- d. performing all other legal services reasonably necessary or otherwise beneficial for the Debtors in connection with these chapter 11 cases.

Disinterestedness of K&E

17. To the best of the Debtors' knowledge and as disclosed in the *Declaration of Patrick J. Nash, Jr. in Support of the Debtors' Application for the Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of the Petition Date* [Docket No. 360], the *First Supplemental Declaration of Patrick J. Nash, Jr. in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of July 13, 2022* [Docket No. 629], the *Second Supplemental Declaration*

of Patrick J. Nash, Jr. in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of July 13, 2022 [Docket No. 1731], and the *Third Supplemental Declaration of Patrick J. Nash, Jr. in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of July 13, 2022* [Docket No. 3304] (collectively, the "K&E Declarations"), (a) K&E is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors' estates and (b) K&E has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in the K&E Declarations.

18. K&E may have in the past represented, may currently represent, and likely in the future will represent parties in interest in connection with matters unrelated to the Debtors in these chapter 11 cases. In the K&E Declarations, K&E disclosed its connections to parties in interest that it has been able to ascertain using its reasonable efforts. K&E will update the K&E Declarations, as appropriate, if K&E becomes aware of relevant and material new information.

19. K&E performed the services for which it is seeking compensation on behalf of the Debtors and their estates, and not on behalf of any committee, creditor, or other entity.

20. Except to the extent of the advance payments paid to K&E that K&E previously disclosed to this Court in the K&E Declarations, K&E has received no payment and no promises for payment from any source other than the Debtors for services provided or to be provided in any capacity whatsoever in connection with these chapter 11 cases.

21. Pursuant to Bankruptcy Rule 2016(b), K&E has not shared, nor has K&E agreed to share (a) any compensation it has received or may receive with another party or person other than with the partners, counsel, and associates of K&E or (b) any compensation another person or party has received or may receive.

Summary of Compliance with the Amended Interim Compensation Order

22. This Fee Application has been prepared in accordance with the Amended Interim Compensation Order.

23. K&E seeks interim compensation for professional services rendered to the Debtors during the Fee Period in the amount of \$19,139,094.50 and reimbursement of actual and necessary expenses incurred in connection with providing such services in the amount of \$317,264.53. During the Fee Period, K&E attorneys and paraprofessionals expended a total of 17,190.10 hours for which compensation is requested.

24. In accordance with the Amended Interim Compensation Order, as of the date hereof, K&E has received payments totaling \$4,736,510.77 (\$4,697,722.00 of which was for services provided and \$38,788.77 of which was for reimbursement of expenses) for the Fee Period. Accordingly, by this Fee Application, and to the extent such amounts have not been paid by the time of the hearing on this Fee Application, K&E seeks payment of the remaining \$14,719,848.20, which amount represents the entire amount of unpaid fees and expenses incurred between March 1, 2023, and June 30, 2023.⁵

⁵ This amount also reflects the 20% holdback for the Fee Period.

Fees and Expenses Incurred During Fee Period

A. Customary Billing Disclosures.

25. K&E's hourly rates are set at a level designed to compensate K&E fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. The hourly rates and corresponding rate structure utilized by K&E in these chapter 11 cases are equivalent to the hourly rates and corresponding rate structure used by K&E for other restructuring matters, as well as similar complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. The rates and rate structure reflect that such restructuring and other complex matters typically are national in scope and typically involve great complexity, high stakes, and severe time pressures. For the convenience of the Court and all parties in interest, attached hereto as **Exhibit D** is K&E's budget and staffing plan for this Fee Period, and attached hereto as **Exhibit E** is a summary of blended hourly rates for timekeepers who billed to non-bankruptcy matters and blended hourly rates for timekeepers who billed to the Debtors during the Fee Period.

B. Fees Incurred During Fee Period.

26. In the ordinary course of K&E's practice, K&E maintains computerized records of the time expended to render the professional services required by the Debtors and their estates. For the convenience of the Court and all parties in interest, attached hereto as **Exhibit F** is a summary of fees incurred and hours expended during the Fee Period, setting forth the following information:

- the name of each attorney and paraprofessional for whose work on these chapter 11 cases compensation is sought;
- each attorney's year of bar admission and area of practice concentration;
- the aggregate time expended and fees billed by each attorney and each paraprofessional during the Fee Period;

- the hourly billing rate for each attorney and each paraprofessional at K&E's current billing rates;
- the hourly billing rate for each attorney and each paraprofessional as disclosed in the first interim application;
- the number of rate increases since the inception of the case; and
- a calculation of total compensation requested using the rates disclosed in the *Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of July 13, 2022* [Docket No. 360] (the "Retention Application").

C. Expenses Incurred During Fee Period.

27. In the ordinary course of K&E's practice, K&E maintains a record of expenses incurred in the rendition of the professional services required by the Debtors and their estates and for which reimbursement is sought. K&E currently charges \$0.16 per page for standard duplication in its offices in the United States. Notwithstanding the foregoing and consistent with the Local Bankruptcy Rules, K&E charged no more than \$0.10 per page for standard duplication services in these chapter 11 cases. K&E does not charge its clients for incoming facsimile transmissions.

Actual and Necessary Expenses Incurred by K&E

68. As set forth in **Exhibit I** attached hereto, and as summarized in **Exhibit G** attached hereto, K&E has incurred a total of \$317,264.53 in expenses on behalf of the Debtors during the Fee Period. These charges are intended to reimburse K&E's direct operating costs, which are not incorporated into the K&E hourly billing rates. K&E charges external copying and computer research at the provider's cost without markup. Only clients who actually use services of the types set forth in **Exhibit I** of this Fee Application are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services.

Reasonable and Necessary Services Provided by K&E

A. Reasonable and Necessary Fees Incurred in Providing Services to the Debtors.

69. The foregoing professional services provided by K&E on behalf of the Debtors during the Fee Period were reasonable, necessary, and appropriate to the administration of these chapter 11 cases and related matters.

70. Many of the services performed by partners and associates of K&E were provided by K&E's Restructuring Group. K&E has a prominent practice in this area and enjoys a national and international reputation for its expertise in financial reorganizations and restructurings of troubled companies, with over 175 attorneys focusing on this area of the law. The attorneys at K&E have represented either the debtor or the creditors' committee or have acted as special counsel in many large chapter 11 cases.

71. In addition, due to the facts and circumstances of these chapter 11 cases, attorneys from K&E's litigation, corporate, and tax groups were heavily involved with K&E's representation

of the Debtors. These practice groups also enjoy a national and international reputation for their expertise. Overall, K&E brings to these chapter 11 cases a particularly high level of skill and knowledge, which inured to the benefit of the Debtors and all stakeholders.

B. Reasonable and Necessary Expenses Incurred in Providing Services to the Debtors.

72. The time constraints imposed by the circumstances of these chapter 11 cases required K&E attorneys and other employees to devote substantial time during the evenings and on weekends to perform services on behalf of the Debtors. These services were essential to meet deadlines, respond to daily inquiries from various creditors and other parties in interest on a timely basis, and satisfy the demands of the Debtors' businesses and ensure the orderly administration of their estates. Consistent with firm policy, and as further disclosed in the Retention Application, K&E attorneys and other K&E employees who worked late in the evenings or on weekends were reimbursed for their reasonable meal and transportation costs. K&E's regular practice is not to include components for those charges in overhead when establishing billing rates, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of legal services.

73. In addition, due to the location of the Debtors' businesses, co-counsel, creditors, and other parties in interest in relation to K&E's offices, frequent multi-party telephone conferences involving numerous parties were required. On many occasions, the exigencies and circumstances of these chapter 11 cases required overnight delivery of documents and other materials. The disbursements for such services are not included in K&E's overhead for the purpose of setting billing rates, and K&E has made every effort to minimize its disbursements in these chapter 11 cases. The actual expenses incurred in providing professional services were necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors in these chapter 11 cases.

74. Among other things, K&E makes sure that all overtime meals, travel meals, hotel rates, and airfares are reasonable and appropriate expenses for which to seek reimbursement. Specifically, K&E regularly reviews its bills to ensure that the Debtors are only billed for services that were actual and necessary and, where appropriate, prorates expenses. In that regard, K&E will waive certain fees and reduce its expenses if necessary. In the Fee Period, K&E voluntarily reduced its fees by \$386,602.50 and expenses by \$27,251.19. Consequently, K&E does not seek payment of such fees or reimbursement of such expenses in the Fee Application.

K&E's Requested Compensation and Reimbursement Should be Allowed

75. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including—

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (e) whether the compensation is reasonable based on

the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

76. K&E respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to the Debtors and their estates and were rendered to protect and preserve the Debtors' estates. K&E further believes that it performed the services for the Debtors economically, effectively, and efficiently, and the results obtained benefited not only the Debtors, but also the Debtors' estates and the Debtors' constituents. K&E further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors, their estates, and all parties in interest.

77. During the Fee Period, K&E's hourly billing rates for attorneys ranged from \$685 to \$2,245. The hourly rates and corresponding rate structure utilized by K&E in these chapter 11 cases are equivalent to the hourly rates and corresponding rate structure used by K&E for restructuring, workout, bankruptcy, insolvency, and comparable matters, and similar complex corporate, securities, and litigation matters, whether in court or otherwise, regardless of whether a fee application is required. K&E strives to be efficient in the staffing of matters. These rates and the rate structure reflect that such matters are typically national in scope and involve great complexity, high stakes, and severe time pressures—all of which were present in these chapter 11 cases.

78. Moreover, K&E's hourly rates are set at a level designed to compensate K&E fairly for the work of its attorneys and paraprofessionals and to cover certain fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

79. In sum, K&E respectfully submits that the professional services provided by K&E on behalf of the Debtors and their estates during these chapter 11 cases were necessary and appropriate given the complexity of these chapter 11 cases, the time expended by K&E, the nature and extent of K&E's services provided, the value of K&E's services, and the cost of comparable services outside of bankruptcy, all of which are relevant factors set forth in section 330 of the Bankruptcy Code. Accordingly, K&E respectfully submits that approval of the compensation sought herein is warranted and should be approved.

Reservation of Rights and Notice

80. It is possible that some professional time expended or expenses incurred during the Fee Period are not reflected in the Fee Application. K&E reserves the right to include such amounts in future fee applications. In addition, the Debtors have provided notice of this Fee Application to: (a) the U.S. Trustee; (b) counsel to the Committee; (c) the Examiner and her counsel; (d) the Fee Examiner and his counsel; (e) counsel to the Ad Hoc Group of Custodial Account Holders; (f) counsel to the Ad Hoc Group of Withhold Account Holders; (g) the United States Attorney's Office for the Southern District of New York; (h) the Internal Revenue Service; (i) the offices of the attorneys general in the states in which the Debtors operate; (j) the Securities and Exchange Commission; and (k) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the "Notice Parties"). Pursuant to the Interim Compensation Order, if any party other than the U.S. Trustee and Fee Examiner wishes to object to the Fee Application, such party shall by no later than 12:00 p.m. (prevailing Eastern Time) on the date that is 21 days

following the required notice of the Fee Application, file and serve the objection setting forth the nature of the objection and the amount of interim fees or expenses at issue.

No Prior Request

81. No prior application for the relief requested herein has been made to this or any other court.

[Remainder of Page Intentionally Left Blank]

WHEREFORE, K&E respectfully requests that the Court enter an order (a) awarding K&E interim compensation for professional and paraprofessional services provided during the Fee Period in the amount of \$19,139,094.50, and reimbursement of actual, reasonable and necessary expenses incurred in the Fee Period in the amount of \$317,264.53; (b) authorizing and directing the Debtors to remit payment to K&E for such fees and expenses; and (c) granting such other relief as is appropriate under the circumstances.

1. The Application is granted to the extent set forth herein.
2. The Debtors are authorized to retain and employ Kirkland as their attorneys effective as of the Petition Date in accordance with the terms and conditions set forth in the Application and in the Engagement Letter attached hereto as **Exhibit 1**.

5. Notwithstanding anything in the Engagement Letter to the contrary, Kirkland shall apply any remaining amounts of its prepetition advance payment retainer as a credit toward postpetition fees and expenses, after such postpetition fees and expenses are approved pursuant to an order of the Court awarding fees and expenses to Kirkland. Kirkland is authorized without further order of the Court to reserve and apply amounts from the prepetition advance payment retainer that would otherwise be applied toward payment of postpetition fees and expenses as are necessary and appropriate to compensate and reimburse Kirkland for fees or expenses incurred on or prior to the Petition Date consistent with its ordinary course billing practices.

Re: Retention to Provide Legal Services

Dear Mr. Bolger,

We are very pleased that you have asked us to represent Celsius Network Limited and only those wholly or partially owned subsidiaries listed in an addendum or supplement to this letter (collectively, “Client”) in connection with a potential restructuring. Please note, the Firm’s representation is only of Client; the Firm does not and will not represent any direct or indirect shareholder, director, officer, partner, employee, affiliate, or joint venturer of Client or of any other entity.

General Terms. This retention letter (this “Agreement”) sets forth the terms of Client’s retention of Kirkland & Ellis LLP (and its affiliated entity Kirkland & Ellis International LLP (collectively, the “Firm”)) to provide legal services and constitutes an agreement between the Firm and Client (the “Parties”). This Agreement (notwithstanding any guidelines for outside counsel that Client may provide to the Firm) sets forth the Parties’ entire agreement for rendering professional services for the current matter, as well as for all other existing or future matters (collectively, the “Engagement”), except where the Parties otherwise agree in writing.

Fees. The Firm will bill Client for fees incurred at its regular hourly rates and in quarterly increments of an hour (or in smaller time increments as otherwise required by a court). The Firm reserves the right to adjust the Firm’s billing rates from time to time in the ordinary course of the Firm’s representation of Client.

Although the Firm will attempt to estimate fees to assist Client in Client’s planning if requested, such estimates are subject to change and are not binding unless otherwise expressly and unequivocally stated in writing.

Expenses. Expenses related to providing services shall be included in the Firm’s statements as disbursements advanced by the Firm on Client’s behalf. Such expenses include photocopying, printing, scanning, witness fees, travel expenses, filing and recording fees, certain

secretarial overtime, and other overtime expenses, postage, express mail, and messenger charges, deposition costs, computerized legal research charges, and other computer services, and miscellaneous other charges. Client shall pay directly (and is solely responsible for) certain larger costs, such as consultant or expert witness fees and expenses, and outside suppliers' or contractors' charges, unless otherwise agreed by the Parties. By executing this Agreement below, Client agrees to pay for all charges in accordance with the Firm's schedule of charges, a copy of which is attached hereto at Schedule 1, as revised from time to time.

Billing Procedures. The Firm's statements of fees and expenses are typically delivered monthly, but the Firm reserves the right to alter the timing of delivering its statements depending on circumstances. Client may have the statement in any reasonable format it chooses, but the Firm will select an initial format for the statement unless Client otherwise requests in writing. Depending on the circumstances, however, estimated or summary statements may be provided, with time and expense details to follow thereafter.

Retainer. Client agrees to provide to the Firm an "advance payment retainer," as defined in Rule 1.15(c) of the Illinois Rules of Professional Conduct, *Dowling v. Chicago Options Assoc., Inc.*, 875 N.E.2d 1012, 1018 (Ill. 2007), and *In re Caesars Entm't Operating Co., Inc.*, No. 15-01145 (ABG) (Bankr. N.D. Ill. May 28, 2015) (and cases cited therein), in the amount of \$1 million. In addition, Client agrees to provide one or more additional advance payment retainers upon request by the Firm so that the amount of any advance payment retainers remains at or above the Firm's estimated fees and expenses. The Firm may apply the advance payment retainers to any outstanding fees as services are rendered and to expenses as they are incurred. Client understands and acknowledges that any advance payment retainers are earned by the Firm upon receipt, any advance payment retainers become the property of the Firm upon receipt, Client no longer has a property interest in any advance payment retainers upon the Firm's receipt, any advance payment retainers will be placed in the Firm's general account and will not be held in a client trust account, and Client will not earn any interest on any advance payment retainers; provided, however, that solely to the extent required under applicable law, at the conclusion of the Engagement, if the amount of any advance payment retainers held by the Firm is in excess of the amount of the Firm's outstanding and estimated fees, expenses, and costs, the Firm will pay to Client the amount by which any advance payment retainers exceed such fees, expenses, and costs. Client further understands and acknowledges that the use of advance payment retainers is an integral condition of the Engagement, and is necessary to ensure that: Client continues to have access to the Firm's services; the Firm is compensated for its representation of Client; the Firm is not a pre-petition creditor in the event of a Restructuring Case; and that in light of the foregoing, the provision of the advance payment retainers is in Client's best interests. The fact that Client has provided the Firm with an advance payment retainer does not affect Client's right to terminate the client-lawyer relationship.

Please be advised that there is another type of retainer known as a "security retainer," as defined in *Dowling v. Chicago Options Assoc.*, 875 N.E.2d at 1018, and *In re Caesars Entm't Operating Co., Inc.*, No. 15-01145 (ABG) (Bankr. N.D. Ill. May 28, 2015) (and cases cited therein). A security retainer remains the property of the client until the lawyer applies it to charges for services that are actually rendered and expenses that are incurred. Any unearned funds are then

Celsius Network Limited

Page No. 3

returned to the client. In other circumstances not present here, the Firm would consider a security retainer and Client's funds would be held in the Firm's segregated client trust account until applied to pay fees and expenses. Funds in a security retainer, however, can be subject to claims of Client's creditors and, if taken by creditors, may leave Client unable to pay for ongoing legal services, which may result in the Firm being unable to continue the Engagement. Moreover, a security retainer creates clawback risks for the Firm in the event of an insolvency proceeding. The choice of the type of retainer to be used is Client's choice alone, but for the Engagement and for the reasons set forth above, the Firm is unwilling to represent Client in the Engagement without using the advance payment retainer.

Termination. The Engagement may be terminated by either Party at any time by written notice by or to Client. The Engagement will end at the earliest of (a) Client's termination of the Engagement, (b) the Firm's withdrawal, and (c) the substantial completion of the Firm's substantive work. If permission for withdrawal is required by a court, the Firm shall apply promptly for such permission, and termination shall coincide with the court order for withdrawal. If this Agreement or the Firm's services are terminated for any reason, such termination shall be effective only to terminate the Firm's services prospectively and all the other terms of this Agreement shall survive any such termination.

Upon cessation of the Firm's active involvement in a particular matter (even if the Firm continues active involvement in other matters on Client's behalf), the Firm will have no further duty to inform Client of future developments or changes in law as may be relevant to such matter. Further, unless the Parties mutually agree in writing to the contrary, the Firm will have no obligation to monitor renewal or notice dates or similar deadlines that may arise from the matters for which the Firm had been retained.

Cell Phone and E-Mail Communication. The Firm hereby informs Client and Client hereby acknowledges that the Firm's attorneys sometimes communicate with their clients and their clients' professionals and agents by cell telephone, that such communications are capable of being intercepted by others and therefore may be deemed no longer protected by the attorney-client privilege, and that Client must inform the Firm if Client does not wish the Firm to discuss privileged matters on cell telephones with Client or Client's professionals or agents.

The Firm hereby informs Client and Client hereby acknowledges that the Firm's attorneys sometimes communicate with their clients and their clients' professionals and agents by unencrypted e-mail, that such communications are capable of being intercepted by others and therefore may be deemed no longer protected by the attorney-client privilege, and that Client must inform the Firm if Client wishes to institute a system to encode all e-mail between the Firm and Client or Client's professionals or agents.

File Retention. All records and files will be retained and disposed of in compliance with the Firm's policy in effect from time to time. Subject to future changes, it is the Firm's current policy generally not to retain records relating to a matter for more than five years. Upon Client's prior written request, the Firm will return client records that are Client's property to Client prior to their destruction. Although we will return your records (*i.e.*, your client file) to you at any time

Celsius Network Limited

July 1, 2022

Page No. 4

upon your written request, you agree that your client file will not include our Firm's internal files including administrative materials, internal communications, and drafts. It is not administratively feasible for the Firm to advise Client of the closing of a matter or the disposal of records. The Firm recommends, therefore, that Client maintain Client's own files for reference or submit a written request for Client's client files promptly upon conclusion of a matter. Notwithstanding anything to the contrary herein, Client acknowledges and agrees that any applicable privilege of Client (including any attorney-client and work product privilege or any duty of confidentiality) (collectively, the "Privileges") belongs to Client alone and not to any successor entity (including without limitation the Client after a change in control or other similar restructuring or non-restructuring transaction (including without limitation a reorganized Client after the effective date of a plan of reorganization), whether through merger, asset or equity sale, business combination, or otherwise, irrespective of whether such transaction occurs in a Restructuring Case or on an out-of-court basis (in each case, a "Transaction")). Client hereby waives any right, title, and interest of such successor entity to all information, data, documents, or communications in any format covered by the Privileges that is in the possession of the Firm ("Firm Materials"), to the extent that such successor entity had any right, title, and interest to such Firm Materials. For the avoidance of doubt, Client agrees and acknowledges that after a Transaction, such successor entity shall have no right to claim or waive the Privileges or request the return of any such Firm Materials; instead, such Firm Materials shall remain in the Firm's sole possession and control for its exclusive use, and the Firm will (a) not waive any Privileges or disclose the Firm Materials, (b) take all reasonable steps to ensure that the Privileges survive and remain in full force and effect, and (c) assert the Privileges to prevent disclosure of any Firm Materials.

Data Protection. You further agree that, if you provide us with personal data, you have complied with applicable data protection legislation and that we may process such personal data in accordance with our Data Transfer and Privacy Policy at www.kirkland.com. We process your personal data in order to (i) carry out work for you; (ii) share the data with third parties such as expert witnesses and other professional advisers if our work requires; (iii) comply with applicable laws and regulations and (iv) provide you with information relating to our Firm and its services.

Conflicts of Interest. As is customary for a law firm of the Firm's size, there are numerous business entities, with which Client currently has relationships, that the Firm has represented or currently represents in matters unrelated to Client.

Further, in undertaking the representation of Client, the Firm wants to be fair not only to Client's interests but also to those of the Firm's other clients. Because Client is engaged in activities (and may in the future engage in additional activities) in which its interests may diverge from those of the Firm's other clients, the possibility exists that one of the Firm's current or future clients may take positions adverse to Client (including litigation or other dispute resolution mechanisms) in a matter in which such other client may have retained the Firm or one of Client's adversaries may retain the Firm in a matter adverse to another entity or person.

In the event a present conflict of interest exists between Client and the Firm's other clients or in the event one arises in the future, Client agrees to waive any such conflict of interest or other objection that would preclude the Firm's representation of another client (a) in other current or

Celsius Network Limited

July 1, 2022

Page No. 5

future matters substantially unrelated to the Engagement or (b) other than during a Restructuring Case (as defined below), in other matters related to Client (such representation an “Allowed Adverse Representation”). By way of example, such Allowed Adverse Representations might take the form of, among other contexts: litigation (including arbitration, mediation and other forms of dispute resolution); transactional work (including consensual and non-consensual merger, acquisition, and takeover situations, financings, and commercial agreements); counseling (including advising direct adversaries and competitors); and restructuring (including bankruptcy, insolvency, financial distress, recapitalization, equity and debt workouts, and other transactions or adversarial adjudicative proceedings related to any of the foregoing and similar matters).

Client also agrees that it will not, for itself or any other entity or person, assert that either (i) the Firm’s representation of Client or any of Client’s affiliates in any past, present, or future matter or (ii) the Firm’s actual or possible possession of confidential information belonging to Client or any of Client’s affiliates is a basis to disqualify the Firm from representing another entity or person in any Allowed Adverse Representation. Client further agrees that any Allowed Adverse Representation does not breach any duty that the Firm owes to Client or any of Client’s affiliates. Client also agrees that the Firm’s representation in the Engagement is solely of Client and that no member or other entity or person related to it (such as a shareholder, parent, subsidiary, affiliate, director, officer, partner, employee, or joint venturer) has the status of a client for conflict of interest purposes.

In addition, if a waiver of a conflict of interest necessary to allow the Firm to represent another client in a matter that is not substantially related to the Engagement is not effective for any reason, Client agrees that the Firm may withdraw from the Engagement. Should that occur, Client will not, for itself or any other entity or person, seek to preclude such termination of services or assert that either (a) the Firm’s representation of Client or any of Client’s affiliates in any past, present, or future matter or (b) the Firm’s actual or possible possession of confidential information belonging to Client or any of Client’s affiliates is a basis to disqualify the Firm from representing such other client or acting on such adverse matter.

It is important that you review this letter carefully and consider all of the advantages and disadvantages of waiving certain conflicts of interests that would otherwise bar the Firm from representing parties with interests adverse to you during the time in which the Firm is representing you. You also understand that because this waiver includes future issues and future clients that are unknown and unknowable at this time, it is impossible to provide you with any more details about those prospective clients and matters. Thus, in choosing to execute this waiver, you have recognized the inherent uncertainty about the array of potential matters and clients the Firm might take on in matters that are adverse to you but have nonetheless decided it is in your interest to waive conflicts of interest regarding the Allowed Adverse Representations and waive rights to prohibit the Firm’s potential withdrawal should a conflict waiver prove ineffectual.

The Firm informs Client that certain entities owned by current or former Firm attorneys and senior staff (“attorney investment entities”) have investments in funds or companies that may, directly or indirectly, be affiliated with Client, hold investments in Client’s debt or equity securities, may be adverse to Client, or conduct commercial transactions with Client (each, a

“Passive Holding”). The attorney investment entities are passive and have no management or other control rights in such funds or companies. The Firm notes that other persons may in the future assert that a Passive Holding creates, in certain circumstances, a conflict between the Firm’s exercise of its independent professional judgment in rendering advice to Client and the financial interest of Firm attorneys participating in the attorney investment entities, and such other persons might seek to limit Client’s ability to use the Firm to advise Client on a particular matter. While the Firm cannot control what a person might assert or seek, the Firm believes that the Firm’s judgment will not be compromised by virtue of any Passive Holding. Please let us know if Client has any questions or concerns regarding the Passive Holdings. By executing this letter, Client acknowledges the Firm’s disclosure of the foregoing.

Restructuring Cases. If it becomes necessary for Client to commence a restructuring case under chapter 11 of the U.S. Bankruptcy Code (a “Restructuring Case”), the Firm’s ongoing employment by Client will be subject to the approval of the court with jurisdiction over the petition. If necessary, the Firm will take steps necessary to prepare the disclosure materials required in connection with the Firm’s retention as lead restructuring counsel. In the near term, the Firm will begin conflicts checks on potentially interested parties as provided by Client.

If necessary, the Firm will prepare a preliminary draft of a schedule describing the Firm’s relationships with certain interested parties (the “Disclosure Schedule”). The Firm will give Client a draft of the Disclosure Schedule once it is available. Although the Firm believes that these relationships do not constitute actual conflicts of interest, these relationships must be described and disclosed in Client’s application to the court to retain the Firm.

If in the Firm’s determination a conflict of interest arises in Client’s Restructuring Case requiring separate conflicts counsel, then Client will be required to use separate conflicts counsel in those matters.

No Guarantee of Success. It is impossible to provide any promise or guarantee about the outcome of Client’s matters. Nothing in this Agreement or any statement by Firm staff or attorneys constitutes a promise or guarantee. Any comments about the outcome of Client’s matter are simply expressions of judgment and are not binding on the Firm.

Consent to Use of Information. In connection with future materials that, for marketing purposes, describe facets of the Firm’s law practice and recite examples of matters the Firm handles on behalf of clients, Client agrees that, if those materials avoid disclosing Client’s confidences and secrets as defined by applicable ethical rules, they may identify Client as a client, may contain factual synopses of Client’s matters, and may indicate generally the results achieved.

Reimbursement of Fees and Expenses. Client agrees to promptly reimburse the Firm for all internal or external fees and expenses, including the amount of the Firm’s attorney and paralegal time at normal billing rates, as incurred by the Firm in connection with participating in, preparing for, or responding to any action, claim, objection, suit, or proceeding brought by or against any third-party that relates to the legal services provided by the Firm under this Agreement. Without limiting the scope of the foregoing, and by way of example only, this paragraph extends to all such

fees and expenses incurred by the Firm: in responding to document subpoenas, and preparing for and testifying at depositions and trials; and with respect to the filing, preparation, prosecution or defense of any applications by the Firm for approval of fees and expenses in a judicial, arbitral, or similar proceeding. Further, Client understands, acknowledges, and agrees that in connection with a Restructuring Case, if Client has not objected to the payment of a Firm invoice or to a Firm fee and expense application, has in fact paid such invoice, or has approved such fee and expense application, then Client waives its right (and the right of any successor entity as a result of a Transaction or otherwise) to subsequently object to the payment of fees and expenses covered by such invoice or fee application.

LLP. Kirkland & Ellis LLP is a limited liability partnership organized under the laws of Illinois, and Kirkland & Ellis International LLP is a limited liability partnership organized under the laws of Delaware. Pursuant to those statutory provisions, an obligation incurred by a limited liability partnership, whether arising in tort, contract or otherwise, is solely the obligation of the limited liability partnership, and partners are not personally liable, directly or indirectly, by way of indemnification, contribution, assessment or otherwise, for such obligation solely by reason of being or so acting as a partner.

Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois, without giving effect to the conflicts of law principles thereof.

Miscellaneous. This Agreement sets forth the Parties' entire agreement for rendering professional services. It can be amended or modified only in writing and not orally or by course of conduct. Each Party signing below is jointly and severally responsible for all obligations due to the Firm and represents that each has full authority to execute this Agreement so that it is binding. This Agreement may be signed in one or more counterparts and binds each Party countersigning below, whether or not any other proposed signatory ever executes it. If any provision of this Agreement or the application thereof is held invalid or unenforceable, the invalidity or unenforceability shall not affect other provisions or applications of this Agreement which can be given effect without such provisions or application, and to this end the provisions of this Agreement are declared to be severable. Any agreement or waiver contained herein by Client extends to any assignee or successor in interest to Client, including without limitation the reorganized Client upon and after the effective date of a plan of reorganization in a Restructuring Case.

This Agreement is the product of arm's-length negotiations between sophisticated parties, and Client acknowledges that it is experienced with respect to the retention of legal counsel. Therefore, the Parties acknowledge and agree that any otherwise applicable rule of contract construction or interpretation which provides that ambiguities shall be construed against the drafter (and all similar rules of contract construction or interpretation) shall not apply to this Agreement. The Parties further acknowledge that the Firm is not advising Client with respect to this Agreement because the Firm would have a conflict of interest in doing so, and that Client has consulted (or had the opportunity to consult) with legal counsel of its own choosing. Client further acknowledges that Client has entered into this Agreement and agreed to all of its terms and conditions voluntarily and fully-informed, based on adequate information and Client's own

independent judgment. The Parties further acknowledge that they intend for this Agreement to be effective and fully enforceable upon its execution and to be relied upon by the Parties.

Exhibit E

Voluntary Rate Disclosures

- The blended hourly rate for all K&E domestic timekeepers (including both professionals and paraprofessionals) who billed to non-bankruptcy matters (collectively, the “Non-Bankruptcy Matters”)¹ during the 12-month period beginning on July 2022 and ending on June 2023 (the “Comparable Period”) was, in the aggregate, approximately **\$1,112.02** per hour (the “Non-Bankruptcy Blended Hourly Rate”).²
- The blended hourly rate for all K&E timekeepers (including both professionals and paraprofessionals) who billed to the Debtors during the Fee Period was approximately **\$1,113.38** per hour (the “Debtor Blended Hourly Rate”).³
- A detailed comparison of these rates is as follows:

Position at K&E	Debtor Blended Hourly Rate for This Fee Application	Non-Bankruptcy Blended Hourly Rate

Of Counsel	-	\$1,165.63

Support Staff	\$474.77	\$455.96

¹ It is the nature of K&E’s practice that certain non-bankruptcy engagements require the advice and counsel of professionals and paraprofessionals who work primarily within K&E’s Restructuring Group. Accordingly, “Non-Bankruptcy Matters” consist of matters for which K&E domestic timekeepers represented a client in a matter other than an in-court bankruptcy proceeding. Moreover, the Non-Bankruptcy Matters include time billed by K&E domestic timekeepers who work primarily within K&E’s Restructuring Group.

² K&E calculated the blended rate for Non-Bankruptcy Matters by dividing the *total dollar amount* billed by K&E domestic timekeepers to the Non-Bankruptcy Matters during the Comparable Period by the *total number of hours* billed by K&E domestic timekeepers to the Non-Bankruptcy Matters during the Comparable Period.

³ K&E calculated the blended rate for timekeepers who billed to the Debtors by dividing the *total dollar amount billed* by such timekeepers during the Fee Period by the *total number of hours billed* by such timekeepers during the Fee Period.
